

LAKSHMI TRANSPORT

Efficiency on the Move

ABOUT US

Lakshmi Transport is an established road freight transport company based out of Guindy, Chennai.

The business deals with the transportation of a variety of general cargo and predominately the export and import of goods via air and sea.

HISTORY

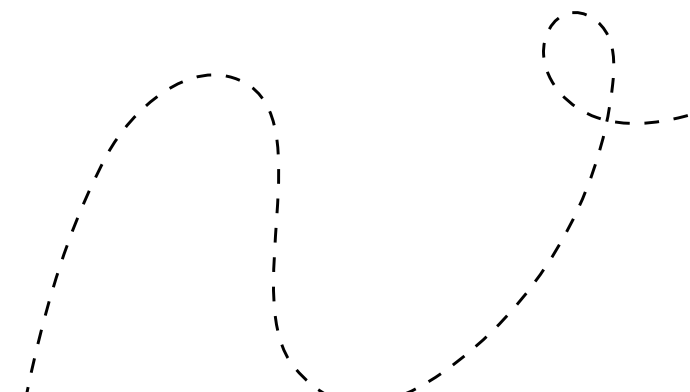

Right from its humble beginnings in the year 1990, the company started out as a home - based transport business with the acquisition of a medium sized truck as its initial foundation rock.

Starting out with mere transportation goods (mostly consumer products) to the local markets in Chennai, the company expanded its services by increasing its fleet of trucks and channelising their focus towards export and import, air and sea freight.

Before long, the business expanded its services to include transportation of goods all over the state of Tamil Nadu and some parts of Andhra Pradesh and Karnataka as well.

Given its rapid expansion, the business had to relocate to a larger facility more suitable for their operations to a depot in based out of Guindy, Tamil Nadu.

MISSION

“At Lakshmi Transport we strive to provide the highest level of transportation services trademarked by safe and timely deliveries, with fair and transparent pricing whilst providing a safe workplace for employees who will enjoy our uncompromising integrity, fairness and honesty with them, the customers and our business partner.”
